Dear Sir/Madam,

Greetings from Shapers!

We are organizing a campus placement drive for Suzuki Motors Gujarat on **April 9nd, 2025, at Govt ITI Lakheri Bundi**. We would be grateful if you could print the attached banner and display it on your college's notice board, as well as share it within your ITI's WhatsApp groups.

Your assistance will help ensure that unemployed ITI graduates in your area have the opportunity to participate in the campus placement and potentially gain employment at Suzuki Motors Gujarat Pvt. Ltd.

Thank you for your support!

Best Regards,
Ranjit Singh
